

CERN tender from STFC tender opportunities:

IT-3648/EN - **Custom-Built Trailer Equipped with Special-Purpose Lifting Equipment**

<http://cdsweb.cern.ch/record/1217932?ln=fr>

If you would like to be considered for this tender, please apply by 16th Dec 2009 using the files found at the weblink and cc tenderopportunities@stfc.ac.uk. STFC can also provide assistance with applying for CERN tenders, so don't hesitate to get in touch with any questions about this tender. Please ensure you read the cover letter carefully before responding to the tender and follow all instructions. There are several files below the restricted files (which are not required to respond to the tender).
