Opportunity Title	Property Signage Provider for 2010
Buying Organisation	The BSS Group plc
Opportunity Method	Contract Opportunity
Opportunity Type	London 2012 supply chain (private sector)
Nature of Opportunity	Services
Estimated contract value (GBP)	Not disclosed
Description	<p>About the buyer: BSS Group PLC. BSS Group's principal activity is supplying services in a range of products to industrial, commercial and domestic markets in the United Kingdom and the Republic of Ireland. Our principal products relate to heating, plumbing, tools, pipeline, industrial supplies, process control and pipeline equipment. BSS is organised in three divisions. Domestic supplies a range of bathroom, heating and plumbing products to a variety of customers, both public and private sector, from large national contractors to the sole trading plumber and heating engineer through our extensive branch network. Industrial supplies and distributes pipeline, process, heating and mechanical services equipment. BSS customers range from large national contractors to local independents. Specialist supplies a range of power tools, hand tools, maintenance and health and safety products to three principal market sectors, the manufacturing industry, wholesale and trade customers.</p> <p>About the Opportunity: BSS Group is currently looking for a supplier/suppliers to tender for the area of Group property signage. To Provide External and Internal Property Signage. BSS Group have numerous divisions however for the purpose of this opportunity we would like you to consider the BSS, PTS and generic fire signage packages.</p> <p>Although BSS group will endeavour to supply reasonable site specifications this may not always be possible and there will be a need to consider site surveys, on sites that are located throughout the UK and Northern Ireland.</p> <p>We will also require the successful applicants to provide colour drawings for all sites which should include as a minimum a photograph to the specific elevations with any old signage digitally removed and new images superimposed. Consideration must be given to the size and general proportions of the new signage when superimposed as it is critical to internal approval and planning applications. All drawings for this project must be emailed in either jpeg or pdf format.</p> <p>We have attached the invitation to tender letter that details the specification requirements, however if you are not successful in the shortlisting stage you will not be taken through to the invitation to tender.</p> <p>About the buyer's selection process: Successful suppliers who have expressed an interest in this opportunity through CompeteFor will be requested to submit a quotation through BSS Groups invitation to tender. You will be advised through CompeteFor if you have been successful or not in being shortlisted for this opportunity.</p>
